SOOO, The Meat Hook is caving to demand and will begin shipping! We've gotten your calls, letters and death threats and now we're gonna give you sausage! Due to the fact that we only deal with trusted farmers and sustainably raised animals our limit will be 10 orders per week. This will ensure you get the best product we can make while also making sure we don't lose our minds. Sound okay? Okay.

Furthermore, we have a few rules. Each order will come with 1# packs of five different types of sausage, for a total of 5# of delicious handmade sausage. Each order will be the butcher's choice. We make sausage everyday and this way you know the sausage will be fresh. You can expect to get some traditional sausages like Garlic, Red Wine & Rosemary and Chorico; and some of our own creations like Bacon Cheeseburger, the Long Dong Bud or Bahn Mi sausage. Each package will be shipped vacuum-sealed and frozen to make sure they reach their destination in the best condition possible.

Each order is \$115 (\$125 West of the Mississippi). This covers your sausages, packaging and 2-day shipping to anywhere in the U.S. Orders will be shipped every Tuesday to make sure they reach their destination before the weekend. Give us a call at 718-349-5033 and talk to a butcher.
